Children throughout the Region	99	76	70	65	65
Total Number of Children	140	131	120	108	122

This year, South Londonderry PD partnered with Lebanon Lodge No. 42, Fraternal Order of Police, and the Auxiliary Lodge, which allowed for collecting and distributing to a wider geographic region. Assistance was also received from the Cornwall Borough and South Lebanon Township Police Departments.

Each season, we encounter people experiencing life circumstances that have left them struggling or unable to get Christmas presents for their kids. Sometimes they are also having difficulty putting food on the table. Our Program helps to assist people at this time of year, making Christmas a little brighter. The Program highlights the generosity of the people in our area through their giving and also helps the Police to be more engaged with the community.

The surplus we receive in toys is split, with most being stored for future distribution. A portion is donated to the Lebanon Toys for Tots. Surplus food is taken to the Lebanon Rescue Mission. A lot of people get a boost through this Program, all through the people and groups that make it possible.

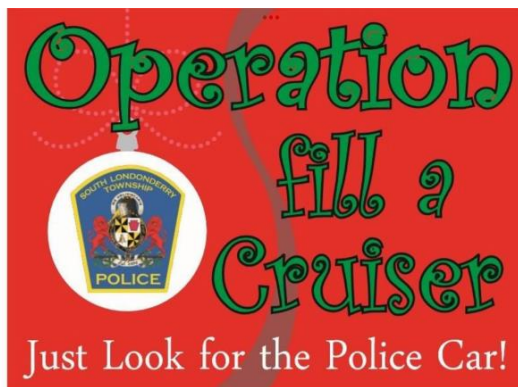

# OPERATION FILL A CRUISER 2024
